# CTS-900V<sup>Neo</sup>

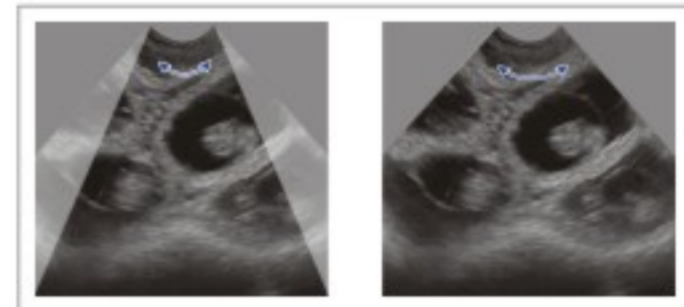

## Considerate and Simple User Setup

- IP One-key Optimization
- Distortion-free Live Zoom
- Auto Freeze Function
- Screen Saver Function
- Power Saving

## Professional Probes

The CTS-900V Neo can be equipped with a wide variety of probes, fully meeting different clinical diagnosis requirements. The probes used on the system adopt high-quality acoustic materials, manufactured with sophisticated techniques, ensuring that the probes have outstanding performance. They are featured with high density, broadband, five-frequency and large viewing angle.

Observation with bigger angle and wider field of view
